Company fees are invoiced by the YYC AVOP Office.

Individual fees are processed via point-of-sale device at the YYC AVOP Office. No cash is accepted.

*** Missed Appointment / Short Notice Cancellation**

Missed appointment and short notice cancellations are defined as:

- Any cancellation within 24-hours of scheduled appointment time.
- Appointment no-call, no-shows.
- Arriving to an appointment >10 minutes late.
- Arriving to an appointment without:
 - Valid driver's license
 - RAIC
 - Signed and completed AVOP Application Form by authorized AVOP Signing Authority
 - Signed Written Assessment certificate
 - Valid ROC-A and AME License (if applicable)
- Arriving to an appointment in an unsafe vehicle or unsafe manner (i.e., driving airside to the appointment without a valid AVOP).

In addition to Missed Appointment/Short Notice Cancellation fees being collected from the individual, company fees for the scheduled appointment will be charged for all appointments that cannot be completed as scheduled due to any of the conditions above or, for practical tests and familiarization drives, the individual arriving without being trained to competency and therefore unable to receive or successfully complete the scheduled service.

Company AVOP Tester Program

Participation in the Company Tester Program is offered in accordance with the following standards. Exceptions may be available under extraordinary circumstances with appropriate justifications being made to the Manager, Airside Safety by the Company.

- Companies may choose whether to certify their testers to conduct Written, Practical, and/or Competency Check / Night Endorsement assessment types.
 - The annual fee applies for each test type a tester is certified to conduct.

NOTE:	D-TT and D Practical Assessments must be completed with a YYC Tester. No in-house Practical testing is permitted.
--------------	---

- Companies are eligible to apply for the number of Written Testers based on their business needs.
- Companies are eligible to have one Practical and Competency Check / Night Endorsement Tester certified per one 100 employees who are required to operate vehicles airside.
 - Companies who have less than 100 employees who are required to operate vehicles airside are eligible for one tester.
- To ensure quality of testing is maintained, for each calendar year, testers will be expected to conduct minimum 20 assessments for each test type they are certified to conduct.
 - For every assessment type where 20 assessments fail to be delivered, the company will be charged the fee(s) associated with those test(s).

Fees associated with the Company Tester Program are charged annually on the anniversary of the tester’s certification date for the specific test type.

Participation in the Company Tester Program is authorized by the Authority’s AVOP Specialists and the Manager, Airside Safety who may approve exclusions or exemptions at their discretion.

To find out more information regarding the Company Tester Program, please contact the YYC AVOP Office (avop@yyc.com).
