### AGENDA REVIEW

Parker Hoepfner, YYC

1. YYC Update:
  - a. Parker provided an update on staff changes.
2. Operations Update:
  - a. 18.9 million passengers for 2024.
  - b. Several large events in the Calgary region will help attracting passengers.
3. West Runway Rehabilitation:
  - a. Update on the project and process that has been made.
  - b. Update on the community information sessions that were held in February 2025.

4. NAV Canada
  - a. Quick update on how operations are adjusted with the West Runway Rehabilitation project beginning again.
  - b. Presentation on NAV Canada's safety culture
5. Environment and Noise Update
  - a. NMT repair update
  - b. Reviewed how noise concerns changed during West Runway construction and how The Authority responded to these changes in preparation for construction in spring 2025.
  - c. Question about flight paths around Glenmore Reservoir – NAV Canada and Parker answered.
