

When locksmith services are required, please follow the process outlined in this document for placing a request. Locksmith services include the installation of a physical lock to a door or the replacement of a broken or jammed lock. The request will fall under one of the following categories:

After identifying the appropriate category for the request, fill out the Locksmith Service Request Form as outlined below.

- Tenant Enter/Exit
*(All tenant requests must be processed through your appointed C&R Manager
Please forward the completed form to: CRDevelopment@yyc.com)*

Commercial & Retail Manager will provide the tenant with options available and coordinate the installation of the locks and keys when an airport tenant is beginning or ending a lease agreement.

Applicable to lease entrance doors, back of house doors, airline office and agency doors, utility level store room doors and store front grills

All costs associated with the installation of new locks is the responsibility of the tenant.

- Airline or Agency Request
*(All airline or agency requests must be processed through your appointed C&R Manager
Please forward the completed form to: CRDevelopment@yyc.com)*

Commercial & Retail Manager will provide the Airline or Agency representative with options available and coordinate the installation of the locks and keys when beginning or ending a lease agreement.

All costs associated with the installation of new locks is the responsibility of the requesting agency.

- Maintenance and Repair
All repair and maintenance requests and associated costs are the responsibility of the requesting tenant, airline or agency. Complete the Locksmith Service Request Form and send it to CRDevelopment@yyc.com

- YYC Facility Project
Any requests made by YYC Project Manager are to be sent to access.passoff@yyc.com and must include a purchase order or a project number.

- Other Request
Requests that don't fall into the first four categories will be examined on a case-by-case basis.
