PARKADES AT YYC

Parkade 1 (P1) and Parkade 2 (P2) both have short and long-term parking options to serve the new International Terminal and the existing Domestic Terminal. Whether you are picking up or travelling through YYC Calgary International Airport, these parking options have you covered.

KNOW WHERE TO GO

Stay in the middle lane and follow the overhead signage for Parkades. The left two lanes will direct you to P1 and P2 parking options.

CHOOSE YOUR PARKADE BASED ON DESTINATION

Follow the red signs to park in P1.

Travelling to the U.S. or other international destination?

DECIDE THE LENGTH OF YOUR STAY

If you are picking up a passenger, please park in short-term parking. The maximum recommended time is one hour.

If you are travelling, or staying for longer than one hour, long-term parking will provide you with a better rate.
